

NEWSLETTER TO SUPPORTERS: JULY 2007

TRAINING

The main focus of activity this year has been to train our volunteers. We have carried out training sessions in London, Warwick, Chester and Builth Wells. We shall soon be visiting Leeds, Cambridge and the West Country.

As a result of the training, volunteers have become more aware of security concerns as well as equipped with new ideas about how to be a supportive penfriend. After the session in Warwick, one penfriend wrote:

“It was a good experience to meet up with other penfriends and with an ex-prisoner so we could see both perspectives. It was valuable to reflect on the guidelines and understand why they are needed.”

THANKS

All the charity's administration costs – including the cost of training – are met by contributions from individual donors. Thank you so much for your help. It would be absolutely impossible to continue this work without you.
